

Certificate no. 2017-0481-3

Emami Paper Mills Ltd.  
687, Anandapur,  
E.M. Bypass,  
Kolkata-700 107  
West Bengal, India**CERTIFICATE OF CONFORMITY**  
**Food contact**Product/grade: *Emami GlamKot*

The above product, submitted by Emami Paper Mills Ltd., was examined in order to establish whether this product is suitable for use in packages or other products intended for contact with foodstuffs.

As an independent party we have judged the suitability in respect to composition and purity referring to the following regulations:

- FDA, CFR (Code of Federal Regulations) 21- Food and drugs, USA (April 2015), § 176.170 (c) "Components of paper and paperboard in contact with aqueous and fatty foods" and § 176.180 "Components of paper and paperboard in contact with dry food"

Condition of use: Hot filled or pasteurized above 150°F.

Based on the analytical results from testing the submitted sample of *Emami GlamKot*, and on the specifications, supplied by Emami Paper Mills Ltd., this board grade is judged to meet the requirement of the regulation referred to above. The specifications cover the raw materials, the production aids and the special paper refining agents used in the production process.

Accordingly, it is concluded that the product *Emami GlamKot* may safely be used in packages or other products intended for direct contact with dry, moist and/or fatty foodstuffs.

This certificate has a validity of 2 years.
